

Learn how to...

# Work ON Your Shop Not In It

## Much More Than A Seminar!

- Learn a systematic plan to get the time and money you want to live life on your terms.
- Make 20%-30% net profit without being chained to your shop.
- Spend more time with family, vacation, and enjoy your hobbies.
- Put MORE profit in your pocket by working LESS hours.
- Learn how to retire with wealth and dignity at the time of your choosing.

## In One Day You Will Learn How You Can...

- Increase your cash flow by at least 5% IMMEDIATELY.
- Develop a system based business to make the MOST cash with the LEAST stress.
- Gain control of the Key Performance Indicators essential to your success.
- Recruit, train, motivate, and retain the best employees.
- Discover leadership secrets to get your people to follow you with enthusiasm.
- Get your people to excel even when you're on vacation.
- Optimize your products to give value to your customers and put cash in your pocket.
- Stabilize your car count by bringing your customers back when YOU want them.
- Find a manager you can trust to give you the free time you deserve.
- Grow your people through the power of weekly "one-on-ones" and effective staff meetings.
- Get top dollar for your business
